On Thursday, 24th September, eighty young people from around the Diocese will receive the Pope John Paul II Award for their work in their Parishes and Communities. This Award is a response to the call of Jesus: "Go out into the whole world and proclaim the good news".

Pope John Paul II Award

Through their involvement young people begin to understand that religion and faith are not just for learning, nor are they a list of rules, but are for living. We extend a big thank you to all of our Parishioners who facilitated our young people in their Parish involvement. The leadership and guidance given by the adults inspires our youth to play their part in the life of the Church. This award is promoted in our Secondary Schools for the 4th year/TY Students.

The following is a snippet of feedback from the Students about their experience: "It has deepened my faith and made me closer to God"; "There are lots of things that young people can do in their local parishes and communities"; "I started to go to Adoration. I found it a very peaceful experience where I had time to sit and talk to God"; "The Church wouldn't be able to function without Volunteers both young and old"; "Helping to clean the Church made me realise how much work goes on behind the scene to keep everything in order"; "I really felt a special part of my community".

In early October, 4th Year/TY Students will be invited to participate for this Award. Please encourage your Son/Daughter to take part.
