### **TRÓCAIRE LENTEN CAMPAIGN**

Pope Francis has called all of us to act on climate change in his encyclical *Laudato Si'*. Pope Francis challenges us by saying: 'As Christians, we are called to accept the world as a sacrament of communion, as a way of sharing with God and our neighbours on a global scale'. *Laudato Si'*, 9.

Trócaire is responding to Pope Francis' call by working with the communities, in Honduras and other parts of the world, that are most at risk of the devastating effects of extreme weather conditions, such as hurricanes, floods, and drought, to help save lives by preparing for and mitigating the effects of the next emergency.

**Trócaire Boxes are available from the back of the Cathedral.**
